We are pleased to enclose herewith The Council for Tobacco Research check #20941 in the amount of $2,500 to assist in support of your symposium on the "Central Neural Production of Periodic Respiratory Movements" under the terms and conditions described in our letter of February 4, 1982.

We hope that this meeting will be highly successful in the exchange of ideas and information and stimulate increased research in this important area. If there are any published proceedings we would appreciate receiving a copy.
